yes /  no

The Board of Directors of European Bioplastics reserves the right to accept or decline an application. The chosen fee is subject to Board decision in accordance with the statutes of the association as well as the membership fee code.

- With this signature we confirm to have read, acknowledge and accept the statutes as well as the membership fee code of the association.
- We agree that European Bioplastics may process the personal data provided in this application for the purpose of due and proper conduct of the contractual relationship. In this context, we also agree that our data may be forwarded to third parties. We also consent to being photographed at internal EUBP events and General Assembly and agree to the use of such for EUBP internal purposes and publications only.
- We are aware of our right to revoke this agreement anytime and that the terms and conditions of EUBP's privacy policy <https://www.european-bioplastics.org/data-privacy-statement/> apply.
